

TOUR TO HOLIDAY IN INDONESIA

(JAKARTA – BANDUNG – YOGYAKARTA – BALI)

7 NIGHT/8 DAYS

Departure: April , August , December

Day 01- COLOMBO – BALI (L/D)

Get the Flight from Colombo Airport. Departure to Bali 1 and Arrival Bali International Airport, our guide will welcome you then transfer to the hotel. Evening rest.

Day 02- BALI (B/L/D)

You will drive to Mengwi and visit Pura Taman Ayun Temple, notable for its majestic gateway and soaring meru towers which are dedicated to the gods who dwell on high. Continue to Sangeh village to visit Pura Bukit Sari, the temple surrounded by green and shady forest. There is an interesting old Garuda statue, mythical bird-like creature, the mount of the God Wisnu. The additional attraction here is group of monkeys inhabiting both the trees and the temple. You will visit also Pura Luhur Tanah Lot, one of the most famous sea side temples in Bali. The picturesque temple, suspended on a little rocky islet, is one of the important and respected temples, closely related with the priest Nirartha.

Day 03- BALI (B/L/D)

You will watch Barong, famous Balinese performance. Next you will stop in the handicraft villages, Celuk (silversmiths) and Mas (woodcarvings). Winding roads further up mountainous region will lead you to Kintamani, spectacular area of Batur. Volcanic area around Mount Batur, because of its geological heritage of international significance, became a member of the Global Geopark Network. Mount Batur itself is a small volcano, but its setting is in the heart of huge crater. Adjacent to the volcano is the large crescent-shaped Lake Batur, all surrounded by high walls of the crater rim. Before returning to your hotel you will stop in Tampaksiring and visit Pura Tirta Empul. This one of Bali's most significant temples is the site of holy springs that are believed to have magical powers and the Balinese coming here to bathe for healing and spiritual purpose

DAY 4 - BALI TO YOGYAKARTA (B/L/D)

In the morning transfer to the airport to get flight to Ngurah Rai International Airport, to Yogyakarta our guide will welcome you then you will visit Keraton Yogyakarta – an example of traditional Javanese court architecture. Construction of the Keraton (palace) began in 1755 and continued for almost 40 years, through the reign of Hamengkubuwono I. Keraton is constructed to form a model of the Javanese cosmos in miniature; each entry, courtyard, tree and field has a specific symbolic meaning. Next you will visit the UNESCO World Heritage Site, Borobudur – one of the greatest Buddhist monuments in the world. The construction of Borobudur probably begun in about 780 and evolve through different phases over a period of more than 50 years. Borobudur's horizontal plan is a great mandala, it consists of six outer square terraces and three circular terraces above them. A large dome, the principal stupa, stands in the centre. Next you will drive to Prambanan, which contains the greatest single concentration of ancient sites in Indonesia. Prambanan Temple Compounds is UNESCO World Heritage Site. The main site at here is the so-called Loro Jonggrang complex considered to be Java's most elegant and awe-inspiring candi, noted for its 47-metre central Siva temple. An inscription records that the complex was completed in 856 to mark the victory of a Hindu king, Rakai Pikatan, over his Buddhist rival. transfer to the hotel.

Day 5 - YOGYAKARTA -BANDUNG (B/L/D)

Check out from the hotel and travel to Bandung. (Long journey at least 12 hours)

DAY 6 – BANDUNG (B/L/D)THE CAPITAL OF WEST JAVA PROVINCE

The city of Bandung is located on a high plateau at an altitude of 768 metres and surrounded on all sides by lofty mountain ridges and volcanic peaks. After the breakfast You will visit TangkubanPerahu Nature Reserve and its main attraction “drive-in” TangkubanPerahu volcano. You will stop also at Ciater hot springs. In the afternoon you will visit SaungAngklungUdjo, Sundanese Art & Bamboo Craft Centre, where you will see how angklung is made, how to play it and witness breathtaking performance. Angklung is traditional musical instrument consisting of bamboo tubes suspended in a bamboo frame, bound with rattan cords; Angklung is listed as UNESCO Intangible Cultural Heritage of Humanity. Afterwards free time for shopping at factory outlets.

DAY 7 - BANDUNG- JAKARTA (B/L/D)

You will drive to Beautiful Indonesia in Miniature Park where all the Indonesian islands are realistically reproduced in miniature. Inside Beautiful Indonesia in Miniature Park is Museum Indonesia with a vast collection of Indonesian contemporary arts and crafts, traditional costumes from the various regions, puppets, musical instruments, masks and daily life utensils. Continue trip to Jakarta. (cable car optional) Afterwards you will see National Monument – 137-metre-high column towering over Merdeka Square (Freedom Square). Its construction began in 1961 under the direction of President Sukarno and the monument was opened to the public in 1975. Evening transfer to the hotel.
